ABOUT ME

PhD of Engineering Science, graduated from magistracy with honors. Have qualification of the teacher-researcher. Conducted numerous training sessions for clients. I am fluent in calculation and design CAD/CAE programs. I have extensive experience in business trips. Author of more than 20 scientific papers in science journals. Create high-quality promotional or educational videos. I Have SQL Skills for Programmers and Developers. Familiar with HTML and CSS that my web CV is based on. I like programming. Built a smart home system based on the Home Assistant code in Python. I will learn a new language with pleasure. I recently started learning Frontend, went through the basics of HTML, CSS, JavaScript, at the moment I'm learning React, and with it TypeScript.

SKILLS

- Project management
- Conducting training
- Knowledge of CAD and CAE programs
- Organization business trips
- Creation of video content
- HTML, CSS and JavaScript Algorithms

LANGUAGES

- Russian: Native speaker
- English: B2
- Spanish: A1

COURSES

Responsive Web Design
freeCodeCamp
may 2022

JavaScript
learn.javascript, freeCodeCamp
august 2022

Git
Learn Git Branching
december 2022

Beginner React Developer
KTS.STUDIO
february 2023

PORTFOLIO

EXPERIENCE

Lead Systems Engineer CAD/CAE
ITOOLS Ltd   Moscow   www.i-tools.info
07/2019 — present
Technical specialist in SOLIDWORKS Simulation, Flow Simulation, Electronic Cooling, HVAC, Motion, Sustainability and similar products on the 3DEXPERIENCE platform.

Structural Engineer (Engineer of Strength)
Nadezhnost PLUS Ltd   Moscow   www.nadezhnost.com
STRENG s.r.o.   Praha   www.streng.cz
05/2017 — 06/2019
Examination and repair of heavy engineering equipment.

Structural Engineer (Engineer of Strength)
Rocket and Space Corporation "Energia"   Korolev, Moscow   www.energia.ru
07/2016 — 06/2017
Participated in the project by Roscosmos to develop a new-generation, partially reusable crewed spacecraft. Design in SOLIDWORKS, PTC Creo Pro ENGINEER.

Structural Engineer (Engineer of Strength)
JSC «Scientific and research institute of parachute design and production»
JSC «NII parachutostroyeniya»   Moscow   www.niiparachute.ru
12/2015 — 06/2016
Performance of strength calculations for parachute systems. Writing programs for numerical analysis of deploy and opening of the parachute by Runge-Kutta

EDUCATION

Postgraduate studies, PhD, Educational programs «Dynamics and Strength of Machines, Instruments and Equipment», Dept. of Robotics, Mechatronics, Dynamics and Machine Strength, Institute of Power Machinery and Mechanics, National Research University «Moscow Power Engineering Institute», 2021.

Master, Dept. of Robotics, Mechatronics, Dynamics and Machine Strength, National Research University «MPEI», 2017, Graduation with honors

Bachelor, Dept. of Dynamics and Strength of Machine, MPEI, 2015
